**CORPORATION MEETING, June 8 at 7pm:** The School Board would like to encourage every school parent to attend the Corporation Meeting in June. We are a parent run school that depends on its parents. This is a time for you to find out what is going on at school and a time for you to share in the operation of the school as well as vote on new school board members. We do require that those who participate have a credible profession of faith. We also encourage each parent to become involved in a committee of the school board so that they can become more familiar with the functioning of the school. If you are not already a corporation member and would like more information, please contact the school office.
